

CVE SERIES

POWERED LOUDSPEAKERS

Even though the CVE series is driven by advanced DSP and loaded with technology, the simplified yet effective control panel allows for quick, efficient setup. There is no complicated display, dial-knob or endless menus to scroll through. Just access all controls with the push of a button to tailor your sound to the environment and your taste. Stream audio from any smartphone or tablet via Bluetooth, in mono or stereo paired mode. The CVE Series is ideal for gigs where portability is paramount, or a lightweight, integrated audio solution is essential. With 3 full-range Polymer enclosure tops and one 18" Plywood subwoofer, the 1000 Watt Class D Amplifier delivers professional, accurate sound with exceptional clarity, wide dispersion, rich bass, and plenty of headroom when the party gets hot. Listen for yourself to Cerwin Vega's 65 years of experience.

KEY BENEFITS

- 1000 Watt Class D Amplifier for cool, reliable operation
- 5 selectable Sound Settings on all tops to fit any environment
- Thermal protection circuitry keeps you going when the party gets hot
- Universal switching power supply—100/110/240V, 50/60 Hz
- 2-channel Neutrik combo line/mic inputs
- Proprietary CV Loud Limiter to prevent distortion
- Bluetooth™ pairing and wireless linkage
- 90° wide dispersion coverage
- Lightweight, durable cabinets
