

CLEAR MG PROFESSIONAL

Product sheet

MADE IN
FRANCE

Clear Mg Professional is a set of circum-aural open-back headphones. Their 'M'-shaped Magnesium dome offers exceptional dynamics, combined with a capacity to reproduce the tiniest details across the full sound spectrum. In terms of mechanics, the design of the headband and yokes ensures that the headphones sit across the whole head, for optimal comfort. The new generation of perforated microfibre cushions result in an extremely open design. Clear Mg Professional headphones feature new honeycomb grilles. The opening of the external earcup is even wider, amplifying the sensation of spatialisation and the soundstage image. The internal 'M' grille follows the curves of the speaker driver as closely as possible, for an even more precise high frequency reproduction: you totally forget you're wearing headphones, and instead enjoy the same listening sensation you'd get with the best monitors. The headphones assert themselves as the essential tool for the most demanding professionals, enabling you to make faster decisions thanks to these dynamics, and ensuring the transfer quality of the work performed.

Key points

- Open-back headphones for professional use
- Remarkable tonal balance across the full spectrum
- Bass articulation down to the lowest frequencies
- Exceptional dynamics and impact
- Wide spatialisation and highly precise soundstage
- Comfortable and ergonomic
- 2 cables supplied to suit all uses (mixing console, audio interface, laptop)
- Rigid carrying case supplied, including a space for storing an Ilock® key (not supplied)

Type	Circum-aural open-back headphones
Impedance	55 Ohms
Sensitivity	104dB SPL / 1mW @ 1kHz
THD	0.25% @ 1kHz / 100dB SPL
Frequency response	5Hz - 28kHz
Speaker driver	1 5/8" (40mm) 'M'-shaped magnesium dome
Weight	0.99lbs (450g)
Cables supplied	16.5 feet (5m) asymmetric cable (1/4" - 6.35mm TRS jack) 3.94 feet (1.2m) asymmetric cable (1/8" - 3.5mm TRS jack) 1/8" (3.5mm) to 1/4" (6.35mm) stereo jack adapter
Spare earpads	2 x spare earpads supplied
Carrying case provided	9 7/8 x 9 1/2 x 4 3/4" (250x240x120mm)
