Features and Benefits

Iconic design - elevated

SoundSticks 5 elevates the iconic SoundSticks design with a fully transparent dome in your choice of stylish hues, highlighted with premium metallic accents. The uplifted subwoofer adds a refined visual element, while thoughtful features like the streamlined connectivity island and intuitive touch controls on the base of the right speaker keep things simple and easy to use.

Extraordinary sound with 3-way speaker design

SoundSticks 5's three-way speaker design provides a detailed, clear stereo soundstage. Its down-firing subwoofer delivers punchy, accurate bass. Dual silk dome tweeters and mid-range drivers provide flawless vocal and instrument reproduction.

Bring light to your music

Transform your experience with the engaging lightshows of SoundSticks 5. Vibrant colors and hypnotic movements elevate the impact of your favorite music. Evoke your choice of soothing, relaxing, or energetic vibes to perfectly complement your music and harmonize with your emotions.

Single-cable HDMI ARC connectivity

Seamlessly integrate your SoundSticks 5 with any modern TV in seconds with just one HDMI ARC cable. Enjoy high-quality Dolby audio for all of your TV, movie, and gaming nights. It's perfect for living rooms or anywhere you want the most immersive sound with the least hassle.

Harman Kardon One app

The Harman Kardon One app makes it easy to set up your SoundSticks 5 and personalize the audio and lightshow settings. You can also customize EQ, manage all your compatible speakers in one convenient place, and even install software updates—all from the comfort of your couch.

Multi-speaker connection by Auracast™

The SoundSticks 5 features multi-speaker connection via Auracast™. Use the Harman Kardon One app to connect two or more Harman Kardon speakers and fill your space with seamless synchronized sound. Whether you're setting a mood or throwing a party, effortlessly connect as many speakers as you want for an immersive sound experience.
