Superior true wireless connectivity

Revel in the freedom only true wireless connection can provide. Pair your Harman Kardon FLY TWS headphones to your smartphone, and enjoy the ultimate hands-free experience.

Harman Kardon Signature Sound

Optimized for travel and with 5.6mm drivers, Harman Kardon FLY TWS headphones delivers premium, rich sound when you are on the move. Enjoy beautiful music no matter where your day takes you.

Long-lasting high fidelity

With 20 hours of playback (6 hours playtime in the earbuds + 14 hours from the charging case) Harman Kardon FLY TWS headphones provide the soundtrack to get you through your longest days.

Fast Pairing

Thanks to Fast Pair enabled by Google, your Harman Kardon FLY TWS are connected to your Android device the second you take them out of the case. You can also pair multiple devices just by tapping on the devices' screen.

Google Assistant and Amazon Alexa built-in

A simple touch on the earbud activates the Voice Assistant of your preference. Get answers, play music and tackle the challenges of your day using simply the power of your voice.

Never miss a beat

With Harman Kardon FLY TWS headphones' unique features, interruptions are a thing of the past. Use TalkThru, to lower headphone volume for real life conversation, without removing your headset. Feeling out of touch? Tune into the environment around you without disturbing your music flow with Ambient Aware.

Water resistant, worry-free

The perfect companion for your active lifestyle. Harman Kardon FLY TWS headphones are sweat and water resistant with an IPX5 rating. Undaunted by most wet weather conditions, they will keep you focused on your music and the road ahead.

Full-function touch control

Manage your audio with full-functioned wireless touch control. A light tap or swipe on your earpiece allows you to take or reject phone calls, raise or lower volume, change tracks, as well as launch the Ambient Aware, TalkThru and Voice Assistant features.

Hands-free stereo calls

The ultimate in wireless calling. Harman Kardon FLY TWS headphones suppress environmental noise for clear, crisp stereo voice calls. Catch up with friends, family or business acquaintances effortlessly.

Explore more with the Harman Kardon Headphones App

Enhance your listening experience with the Harman Kardon Headphones App. Enjoy personalize sound by adjusting the different equalization settings to your preference and select your

Voice Assistant between Google Assistant and Amazon Alexa. Let your ears do the rest.

Auto Pause mode

Do not let the sound of silence accidentally drain your charge. When you are taking a break from your music, Harman Kardon FLY TWS headphones' power saving features conserves battery by switching off. The "Auto-off timer" in the My Harman Kardon Headphones App, puts the headphones in auto powering off mode after 30 minutes on no playback. Ready for more? Resume playback in a flash.

Premium comfort and design

Created from refined materials, Harman Kardon FLY TWS headphones cradle your ears in comfort. The leather touches on both earbuds and charging case make the Harman Kardon FLY TWS sophisticated and durable.
