| Tube end(s)         | diameter 35 mm                                                                                                                                          |
| Type                | black                                                                                                                                                   |
| Weight              | 5.88 kg                                                                                                                                                 |

Two easy-to-carry speaker stands made of high quality aluminum in a carrying case. Fiberglass-reinforced fittings and a compact clamp with a patented push-button system affords user-friendly height adjustment and ensures stable support for the speakers. The leg construction adjusts by an easy-to-use clamping lever.
