ZonePad 4

4 zone wall controller

Optimal Audio

FEATURES

- Remote control wall panel for control of up to four zones
- Contemporary design fits in with any décor
- Intuitive layout via touch sensitive controls
- Easily configured to suit your venue
- Easy access to everyday functions
- Very competitive pricing

ZonePad 4 is a wall mounted controller, providing users clear and simple access to the essential controls of four zones of an Optimal Audio system.

It enables selection and volume control of playback source and

microphones to be easily controlled across 4 zones of audio from one position.

ZonePad 4 features a clean, slick intuitive touch interface.
