High-Performance Home Theater Sound Bar System with Chromecast Built-in

The Polk MagniFi 2 high-performance home theater sound bar provides a dynamic and immersive entertainment experience. Compatible with HD and 4K TVs, control the MagniFi 2 with Google Assistant via Chromecast built-in. Google Assistant sold separately.

Features

Rich, Immersive Home Theater Sound

A six-driver array and included wireless subwoofer combines to create immersive, multi-dimensional virtual surround sound. Compatible with 5.1 Dolby Digital, DTS and exclusive Polk patented SDA surround technology for an incredible room-filling listening experience.

Polk Patented SDA Surround Technology

Patented Polk Stereo Dimensional Array (SDA) surround technology creates an expansive soundstage and detailed stereo image. The natural multi-dimensional sound experience is unique to Polk MagniFi sound bars.

Polk Patented Voice Adjust Technology

Hear every word. Customize the voice levels in the sound bar to reproduce clear, crisp dialogue and never miss a single word of your favorite movie, TV show or sporting event.

Polk 3D Audio Mode

Polk 3D audio mode can create virtual height channels from any soundtrack. When combined with Polk SDA technology, it delivers a truly immersive 3 dimensional surround sound experience.

Google Chromecast Built-in

Use Google Chromecast for audio to stream music from your favorite apps including Google Play Music, YouTube Music, Amazon Music HD, Spotify, Tidal, Pandora, Qobuz, iHeart Radio and more over Wi-Fi.

Works with Google Assistant

Use your voice and Google Assistant to control your music — play, pause and adjust volume. Use the Google Home app to group it with other Chromecast-enabled speakers to play music throughout your home. Google Home speaker sold separately.

Bluetooth Music Streaming

Connect and play music directly from your smartphone, tablet or other compatible device.

Universal 4K Compatibility

Works with 4K and HD TVs — plus, three HDMI 2.0 inputs ensure 4K HDR and Dolby Vision content looks great.
